Webinar
A Perfect Partnership: Ensuring a Safe Patient Transition
With a Post-Discharge Firefighter Visit
Tuesday May 20, 2014
1 p.m. – 2 p.m. CDT

Program Description:
Transition support occurs in that critical time after hospital discharge. How do you follow up quickly with patients to make sure they are doing well and will continue to do so? In this program we will learn about a joint effort between the St. Louis Park Fire Department and Park Nicollet Health Services, who are collaborating to help people make this transition from hospital to home safely and prevent further problems and avoidable readmissions.

Speakers:
• Linda Bauermeister, BSN, RN, MAL, Director, Nursing and Population Health, Park Nicollet
• Patti Betlach, BSN, RN, PHN, Director, Palliative Medicine and Community Care
• Steve Koering, Fire Chief, St. Louis Park Fire Department

Objectives: At the end of this session, participants will be able to:
• Learn how Park Nicollet Health Services partnered with the St. Louis Park Fire Department to address care transitions
• List the components of the firefighter visit
• Describe how the firefighter visit addresses the Triple Aim of improving population health; the experience of care, including quality; and the affordability of care

Contact Hours: One

Register. There is no charge for this webinar. For more information, contact ICSI at 952-814-7060.

Register online by May 15, 2014. Registrations will not be accepted after this date.

• First time registrants need to create a login account. Returning users, please register with your account email and password.
• Each person needs to register and provide their name when joining the webinar.

This networking collaborative is a series of webinars highlighting strategies that can be used to successfully reduce avoidable hospital readmission rates. The webinars are offered monthly as part of the RARE Campaign, which is being led by the Institute for Clinical Systems Improvement, Minnesota Hospital Association and Stratis Health. They are made available as podcasts after the event at www.RAREreadmissions.org.
